All persons should also take into account critical factors such as venue capacity and physical characteristics, type of activity involved, and location (indoor vs. outdoor), with respect to social and recreational gatherings in order to properly assess risk and exercise good faith judgment in maintaining appropriate social distancing for each unique situation. Regarding athletic activities, local education agencies and schools shall, notwithstanding any orders or provisions to the contrary, have the authority to permit, but are not required to permit, school-sponsored sporting events and activities, provided that all such activities, including practices and games or competition, must be conducted in a manner consistent with COVID-19-related guidance and rules adopted by the Tennessee Secondary Schools Athletic Association. Part B. Facilitating Previously Set Extensions.

The following provisions in **Executive Order No. 36, as amended or extended by Executive Order Nos. 50, 55, or 59, and as modified or supplemented herein**, are hereby extended merely to acknowledge the revised deadlines necessitated by the COVID-19 emergency:

Class A, B, and C driver license holders whose medical cards were set to expire between June 1, 2020, and December 30, 2020 will have until December 31, 2020, to submit a new medical card to the Department of Safety and Homeland Security to avoid cancellation. Renewal requirements shall return to their original schedule in subsequent years. Any Class A, B, or C driver license that was downgraded between July 1, 2020 and July 31, 2020, shall be converted back to the previous license class if the sole reason for the downgrade was the expiration of Executive Order No. 36. Drivers who, since their last medical certificate was issued, have been diagnosed with a medical condition that would disqualify the driver from operating in interstate commerce, or who, since their last medical certificate was issued, have developed a condition that requires an exemption or Skill Performance Evaluation from FMCSA are not covered under the suspension in this paragraph.

24. Enhanced handgun carry permits are extended through November 15, 2020.

Part C. Applicability and Severability.

1. Suspension of laws that would limit application of this Order. Any law, order, rule, or regulation that would otherwise limit the enforceability of this Order is hereby suspended, pursuant to Tennessee Code Annotated, Section 58-2-107.
2. Severability. If any provision of this Order or its application to any person or circumstance is held invalid, the invalidity does not affect other provisions or applications of this Order which can be given effect without the invalid provision or application, and to that end the provisions of this Order are declared to be severable.

Part D. Effectiveness

1. Term and effective date. This Order shall be effective and enforceable as of 11:59 p.m., Central Daylight Time, on September 30, 2020, and shall remain in effect until 11:59 p.m., Central Daylight Time, on October 30, 2020.
